Regarding the Offering

DIVIDE Shorthorns have not earned their widely recognized reputation for producing outstanding cattle as a result of any particular year's triumph in show yard or sale ring. Rather it has come by a consistent repetition of such triumphs over scores of years. Lists of America's leading herds that have profited by the purchase of Allen-bred animals would make an impressive section of a "Who's Who In The Shorthorn Business". A list of first prize and champion Divide Shorthorns during this period is equally impressive.

This 1941 Sale offering represents largely the get of Duke of Killearn and Divide Goldpiece. The get of each has won distinction at leading shows. The record on the opposite page speaks volumes and we have reserved several young bulls and females especially for this sale that may prove to be the equal of these two young animals. This catalog gives you essential facts and the illustrations are accurate reproductions of animals included in this sale. Study your catalog carefully and plan to attend January 29th. You will be able to secure animals that will revolutionize the progress of your herd and double its earning power.

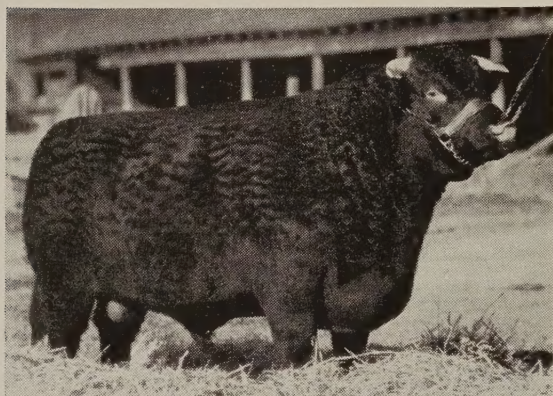

Divide Gold Sultan

Both International Sale Tops

Close your catalog and study the picture of Divide Patience 51st, by Duke of Killearn, that appears on the cover. She was not only junior and grand champion female at the 1940 International but also the top selling female in the International sale, going to Mathers Bros. for \$1350. Divide Gold Sultan, grand champion bull at Ogden, was the top of the entire International Sale, selling to Howard Smith, Crawfordsville, Indiana for \$1500.

Both of these calves were bred by The Allen Cattle Company and were from well-established families showing generations of Allen breeding. Both bulls and females bearing close relationship to these calves will be sold January 29th. Expect to find individuals of similar quality.

It's Herd Bull Strength that Counts

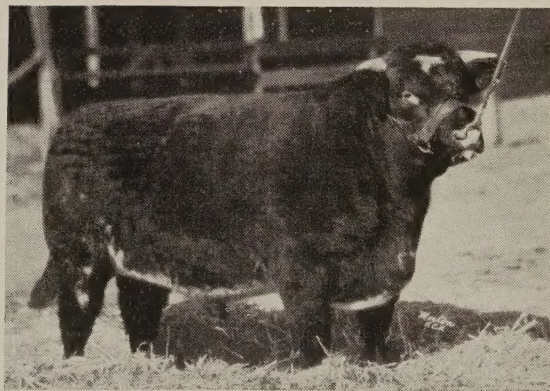

Divide Gold Prince

Divide Corrector 2009184—By Duke of Killearn, third in a strong class of summer yearlings at the 1940 International and member of our second prize pair of yearlings at the same show. We are retaining this great young bull for service in our herd. We expect him to sire calves of desirable type and quality.

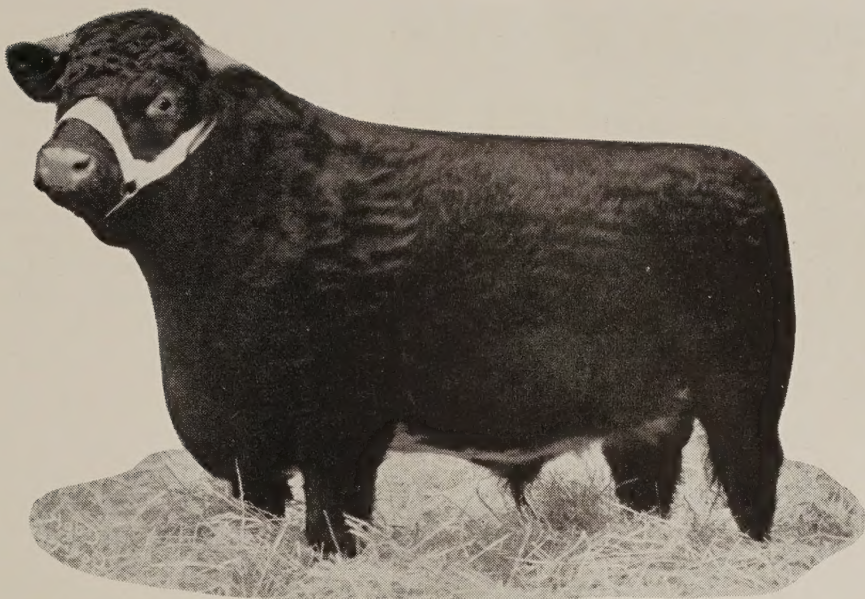

Divide Corrector

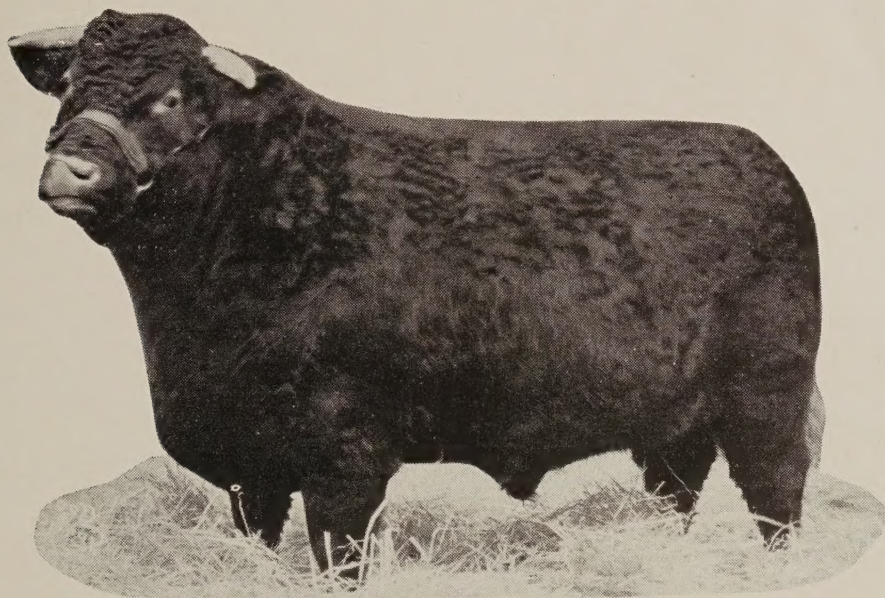

Divide Gold Cadet

Divide Gold Prince 1924698—By Browndale Goldspur. Grand champion bull at the 1939 Denver and Ogden shows as a summer yearling. A full brother to Divide Goldpiece, pictured on the opposite page. The top bull in the 1940 International sale was sired by Divide Gold Prince and we have many more equally sensational calves to prove his ability as a sire.

Divide Gold Cadet 2008186—Is sired by Divide Goldpiece. This outstanding young bull was recently purchased by Penningroth Bros., Wellman, Iowa. They plan to mate him with several of the daughters of their Congress champion, Hayland's Restoration, which they are including in this sale.

DUKE OF KILLEARN 1919488, reserve grand champion Canadian Royal Winter Fair 1937, as a senior calf. Sire, Balmuchy Jasper (Imp.) Dam by the American Royal junior champion, Melbourne Rodney. Sire of the 1940 International grand champion female, Divide Patience 51st, as well as many other choice bulls and heifers we are selling in this sale.

DIVIDE GOLDPIECE 1855008, the most outstanding son of the famous champion Browndale Goldspur, and out of our greatest producing cow, Divide Patience 2d. In 1938, as a senior calf, he won first prize at the Canadian Royal and International and the Nelson trophy at the American Royal. As a senior yearling, he won first in Canada and second in Chicago. His three sons and seven daughters in this sale prove him to be one of the breed's greatest sires.

 —This bull was the second high selling calf in the 1940 Edellyn Sale. We purchased him because one of our herd bulls was not settling cows at the time. We have used him extensively and are offering him now, a better bull than when he was purchased. He has much of the breeding of some of our leading champion steers.

Rosewood Pride 3d 2027923—Just about the best heifer in our offering. A very dark roan with lots of depth, thickness and as short legged as you will find them. Dam is a great breeding cow bred by Shallenberger. A good heifer for 4-H club members.

Browndale Goldspur 1464101

Grand champion of the International Stock Show in 1929, he was the sire of many champions and first prize gets-of-sire, and his sons and grandsons are siring champions and winners of first prizes. His son Divide Gold Mark, now one of Sni-A-Bar Farms herd bulls, sired for them the 1939 American Royal junior champion Sni-A-Bar Goldduster. Others of his sons are pictured in this catalog. His daughters also are great producers. Note the famous herds that are using sons of this great sire. Then remember that dozens of other herds are using them with similar success. The more of the blood of this great sire that there is in your herd, the surer you are to produce profitable and popular Shorthorns.
